A Ferris wheel is the central element of the image, set against a soft, hazy sky. Instead of people, the gondolas are filled with various fashion items. The top-most gondola holds a black high-heeled ankle boot. The gondola to its right contains a black structured handbag with a top handle and a shoulder strap. Moving clockwise, the next gondola features a black quilted handbag with a top handle and a shoulder strap. Below this, a gondola is filled with a large stack of red shoes. Further down, another gondola contains a stack of red shoes. To the right, a gondola holds a pair of black high-heeled shoes. At the bottom right, a gondola is filled with a stack of yellow shoes. The overall color palette is muted, with a purple tint over the entire scene. Two thin yellow horizontal lines are positioned near the top of the image, one on the left and one on the right.
