Notice for Visitors

To maintain the integrity and professionalism of the International Apparel & Textile Fair as a premier B2B platform, we kindly request all visitors to refrain from bringing large bags of samples into the venue. This policy ensures a focused and fair environment for all exhibitors and participants. Should visitors or potential buyers wish to present samples to exhibitors and manufacturers, we encourage them to arrange a meeting outside the fair's operating hours, where sample exchanges can take place in a more suitable setting. We appreciate your understanding and cooperation in upholding the spirit of the event.

Please note that children under 16 are strictly not allowed in the exhibition halls.

Thank you for your understanding and cooperation.
